

Contract Number GS-35F-4675G

AUTHORIZED FEDERAL SUPPLY SERVICE
INFORMATION TECHNOLOGY SCHEDULE PRICELIST
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY
EQUIPMENT, SOFTWARE AND SERVICES

SIN 132-51 - INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES

FPDS Code D301	IT Facility Operation and Maintenance
FPDS Code D302	IT Systems Development Services
FPDS Code D306	IT Systems Analysis Services
FPDS Code D308	Programming Services
FPDS Code D311	IT Data Conversion Services
FPDS Code D399	Other Information Technology Services, Not Elsewhere Classified

Note 1: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.

Note 2: Offerors and Agencies are advised that the Group 70 – Information Technology Schedule is not to be used as a means to procure services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering, mapping, cartographic production, remote sensing, geographic information systems, and related services. FAR 36.6 distinguishes between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally accepted A/E Services.

Note 3: This solicitation is not intended to solicit for the reselling of IT Professional Services, except for the provision of implementation, maintenance, integration, or training services in direct support of a product. Under such circumstances the services must be performed by the publisher or manufacturer or one of their authorized agents.

Advanced Systems Development, Inc.

**INFORMATION FOR ORDERING OFFICES
APPLICABLE TO ALL SPECIAL ITEM NUMBERS**

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Supply Schedules Program. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.FAS.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Acquisition Service Home Page (www.FAS.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

1. GEOGRAPHIC SCOPE OF CONTRACT:

Domestic delivery is delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories. Domestic delivery also includes a port or consolidation point, within the aforementioned areas, for orders received from overseas activities.

Overseas delivery is delivery to points outside of the 48 contiguous states, Washington, DC, Alaska, Hawaii, Puerto Rico, and U.S. Territories.

Offerors are requested to check one of the following boxes:

- The Geographic Scope of Contract will be domestic and overseas delivery.
- The Geographic Scope of Contract will be overseas delivery only.
- The Geographic Scope of Contract will be domestic delivery only.

2. CONTRACTOR'S ORDERING ADDRESS AND PAYMENT INFORMATION:

Advanced Systems Development, Inc.
2800 Shirlington Road, Suite 800
Arlington, VA 22206-3612

Contractors are required to accept credit cards for payments equal to or less than the micro-purchase threshold for oral or written delivery orders. Credit cards will be acceptable for payment above the micro-purchase threshold. In addition, bank account information for wire transfer payments will be shown on the invoice.

The following telephone number(s) can be used by ordering activities to obtain technical and/or ordering assistance:

- ⇒ Technical Assistance Mark Rieland 703-998-3900
- ⇒ Contracts Assistance Donna Reid 703-933-2090

3. LIABILITY FOR INJURY OR DAMAGE

The Contractor shall not be liable for any injury to government personnel or damage to Government property arising from the use of equipment maintained by the Contractor, unless such injury or damage is due to the fault or negligence of the Contractor.

4. STATISTICAL DATA FOR GOVERNMENT ORDERING OFFICE COMPLETION OF STANDARD FORM 279:

- Block 9:** Order/Modification Under Federal Schedule:
- Block 16:** Data Universal Numbering System (DUNS) Number: 03-775-2037
- Block 30:** Type of Contractor - B. Other Small Business
- Block 31:** Women-Owned Small Business: No
- Block 36:** Contractor's Taxpayer Identification Number: 52-1162498

4a. CAGE Code: 1V652

5. FOB DESTINATION

6. DELIVERY SCHEDULE

a. TIME OF DELIVERY: The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

SPECIAL ITEM NUMBER	DELIVERY TIME (Days ARO)
132-51	As agreed to by ordering agency and Advanced Systems Development, Inc.

b. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

7. DISCOUNTS

Prices shown are NET Prices; Basic Discounts have been deducted.

- a. Prompt Payment: None
- b. Quantity: None

- c. Dollar Volume: None
- d. Government Educational Institutions: Government Educational Institutions are offered the same discounts as all other Government customers.
- e. Other: None

8. TRADE AGREEMENTS ACT OF 1979, as amended:

All items are U.S. made end products, designated country end products, Caribbean Basin country end products, Canadian end products, or Mexican end products as defined in the Trade Agreements Act of 1979, as amended.

9. STATEMENT CONCERNING AVAILABILITY OF EXPORT PACKING:

Not applicable for Services.

10. Small Requirements

The minimum dollar value of orders to be issued is \$100.00.

11. Maximum Order (All dollar amounts are exclusive of any discount for prompt payment.)

- a. The Maximum Order value for the following Special Item Numbers (SINs) is \$500,000:
Special Item Number 132-51 – Information Technology (IT) Professional Services

12. ORDERING PROCEDURES FOR FEDERAL SUPPLY SCHEDULE CONTRACTS

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services. These procedures apply to all schedules.

- a. FAR 8.405-1 Ordering procedures for supplies, and services not requiring a statement of work.
- b. FAR 8.405-2 Ordering procedures for services requiring a statement of work.

13. FEDERAL INFORMATION TECHNOLOGY/TELECOMMUNICATION STANDARDS

REQUIREMENTS: ordering activities acquiring products from this Schedule must comply with the provisions of the Federal Standards Program, as appropriate (reference: NIST Federal Standards Index). Inquiries to determine whether or not specific products listed herein comply with Federal Information Processing Standards (FIPS) or Federal Telecommunication Standards (FED-STDS), which are cited by ordering activities, shall be responded to promptly by the Contractor.

13.1 FEDERAL INFORMATION PROCESSING STANDARDS PUBLICATIONS (FIPS PUBS):

Information Technology products under this Schedule that do not conform to Federal Information

Processing Standards (FIPS) should not be acquired unless a waiver has been granted in accordance with the applicable "FIPS Publication." Federal Information Processing Standards

Publications (FIPS PUBS) are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Information concerning their availability and applicability should be obtained from the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, Virginia 22161. FIPS PUBS include voluntary standards when these are adopted for Federal use. Individual orders for FIPS PUBS should be referred to the NTIS Sales Office, and orders for subscription service should be referred to the NTIS Subscription Officer, both at the above address, or telephone number (703) 487-4650.

- 13.2 FEDERAL TELECOMMUNICATION STANDARDS (FED-STDS):** Telecommunication products under this Schedule that do not conform to Federal Telecommunication Standards (FED-STDS) should not be acquired unless a waiver has been granted in accordance with the applicable "FED-STD." Federal Telecommunication Standards are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Ordering information and information concerning the availability of FED-STDS should be obtained from the GSA, Federal Acquisition Service, Specification Section, 470 East L'Enfant Plaza, Suite 8100, SW, Washington, DC 20407, telephone number (202)619-8925. Please include a self-addressed mailing label when requesting information by mail. Information concerning their applicability can be obtained by writing or calling the U.S. Department of Commerce, National Institute of Standards and Technology, Gaithersburg, MD 20899, telephone number (301)975-2833.

14. CONTRACTOR TASKS / SPECIAL REQUIREMENTS (C-FAS-370) (NOV 2001)

(a) Security Clearances: The Contractor may be required to obtain/possess varying levels of security clearances in the performance of orders issued under this contract. All costs associated with obtaining/possessing such security clearances should be factored into the price offered under the Multiple Award Schedule.

(b) Travel: The Contractor may be required to travel in performance of orders issued under this contract. Allowable travel and per diem charges are governed by Pub .L. 99-234 and FAR Part 31, and are reimbursable by the ordering agency or can be priced as a fixed price item on orders placed under the Multiple Award Schedule. The Industrial Funding Fee does NOT apply to travel and per diem charges.

NOTE: Refer to FAR Part 31.205-46 Travel Costs, for allowable costs that pertain to official company business travel in regards to this contract.

(c) Certifications, Licenses and Accreditations: As a commercial practice, the Contractor may be required to obtain/possess any variety of certifications, licenses and accreditations for specific FSC/service code classifications offered. All costs associated with obtaining/ possessing such certifications, licenses and accreditations should be factored into the price offered under the Multiple Award Schedule program.

(d) Insurance: As a commercial practice, the Contractor may be required to obtain/possess insurance coverage for specific FSC/service code classifications offered. All costs associated with obtaining/possessing such insurance should be factored into the price offered under the Multiple Award Schedule program.

(e) Personnel: The Contractor may be required to provide key personnel, resumes or skill category descriptions in the performance of orders issued under this contract. Ordering activities may require agency approval of additions or replacements to key personnel.

(f) Organizational Conflicts of Interest: Where there may be an organizational conflict of interest as determined by the ordering agency, the Contractor's participation in such order may be restricted in accordance with FAR Part 9.5.

(g) Documentation/Standards: The Contractor may be requested to provide products or services in accordance with rules, regulations, OMB orders, standards and documentation as specified by the agency's order.

(h) Data/Deliverable Requirements: Any required data/deliverables at the ordering level will be as specified or negotiated in the agency's order.

(i) Government-Furnished Property: As specified by the agency's order, the Government may provide property, equipment, materials or resources as necessary.

(j) Availability of Funds: Many Government agencies' operating funds are appropriated for a specific fiscal year. Funds may not be presently available for any orders placed under the contract or any option year. The Government's obligation on orders placed under this contract is contingent upon the availability of appropriated funds from which payment for ordering purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are available to the ordering Contracting Officer.

15. CONTRACT ADMINISTRATION FOR ORDERING ACTIVITIES: Any ordering activity, with respect to any one or more delivery orders placed by it under this contract, may exercise the same rights of termination as might the GSA Contracting Officer under provisions of FAR 52.212-4, paragraphs (l) Termination for the ordering activity's convenience, and (m) Termination for Cause (See C.1.)

16. GSA ADVANTAGE!

GSA Advantage! is an on-line, interactive electronic information and ordering system that provides on-line access to vendors' schedule prices with ordering information. GSA Advantage! will allow the user to perform various searches across all contracts including, but not limited to:

- (1) Manufacturer;
- (2) Manufacturer's Part Number; and
- (3) Product categories.

Agencies can browse GSA Advantage! by accessing the Internet World Wide Web utilizing a browser (ex.: NetScape). The Internet address is <http://www.FAS.gsa.gov/>.

17. PURCHASE OF OPEN MARKET ITEMS

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order,

only if-

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

- (1) Time of delivery/installation quotations for individual orders;
- (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/ service/software package submitted in response to requirements which result in orders under this schedule contract.
- (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

19. OVERSEAS ACTIVITIES

The terms and conditions of this contract shall apply to all orders for installation, maintenance and repair of equipment in areas listed in the pricelist outside the 48 contiguous states and the District of Columbia, except as indicated below:

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

21. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Industrial Funding Fee and Sales Reporting, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

22. INSTALLATION, DEINSTALLATION, REINSTALLATION

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8.

23. SECTION 508 COMPLIANCE.

If applicable, Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT) at the following: N/A.

The EIT standard can be found at: www.Section508.gov/.

24. PRIME CONTRACTOR ORDERING FROM FEDERAL SUPPLY SCHEDULES.

Prime Contractors (on cost reimbursement contracts) placing orders under Federal Supply Schedules, on behalf of an ordering activity, shall follow the terms of the applicable schedule and authorization and include with each order –

(a) A copy of the authorization from the ordering activity with whom the contractor has the prime contract (unless a copy was previously furnished to the Federal Supply Schedule contractor); and

(b) The following statement:

This order is placed under written authorization from _____ dated _____. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern.

25. INSURANCE—WORK ON A GOVERNMENT INSTALLATION (JAN 1997)(FAR 52.228-5)

(a) The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract, at least the kinds and minimum amounts of insurance required in the Schedule or elsewhere in the contract.

(b) Before commencing work under this contract, the Contractor shall notify the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective—

(1) For such period as the laws of the State in which this contract is to be performed prescribe; or

(2) Until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer, whichever period is longer.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in subcontracts under this contract that require work on a Government installation and shall require subcontractors to provide and maintain the insurance required in the Schedule or elsewhere in the contract. The Contractor shall maintain a copy of all subcontractors' proofs of required insurance, and shall make copies available to the Contracting Officer upon request.

26. SOFTWARE INTEROPERABILITY

Offerors are encouraged to identify within their software items any component interfaces that support open standard interoperability. An item's interface may be identified as interoperable on the basis of participation in a Government agency-sponsored program or in an independent organization program. Interfaces may be identified by reference to an interface registered in the component registry located at <http://www.core.gov>.

27. ADVANCE PAYMENTS

A payment under this contract to provide a service or deliver an article for the United States Government may not be more than the value of the service already provided or the article already delivered. Advance or pre-payment is not authorized or allowed under this contract. (31 U.S.C. 3324)

**TERMS AND CONDITIONS APPLICABLE TO
INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES
(SPECIAL ITEM NUMBER 132-51)**

1. SCOPE

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES I-FAS-60 Performance Incentives (April 2000)

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

- (1) Cancel the stop-work order; or
- (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I OCT 2008) (DEVIATION I - FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Professional Services.

9. INDEPENDENT CONTRACTOR

All IT Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT Professional services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007)Time-and-Materials/Labor-Hour Proposal Requirements— Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

(a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.

(b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—

(1) The offeror;

- (2) Subcontractors; and/or
- (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT PROFESSIONAL SERVICES AND PRICING

a. For each labor category, ASD supports an educational equivalency whereby three (3) years of experience may be substituted for a bachelor's degree. All technical positions require strong analytical and communication skills. Upon request, resumes will be provided to the GSA Contracting Officer or user agency. GSA Labor Category Offerings are presented later in this section. Personnel with experience in required technologies and with specific certifications will be proposed in accordance with agency requirements. Reference GSA Pricelist (Labor Category Descriptions and Rates) – Page 21.

b. Description of IT Professional Services

The GSA Schedule Contract Service Offerings of Advanced Systems Development include the following:

- ⇒ *IT Facility Operation and Maintenance*
(FPDS Code D301)
- ⇒ *IT Systems Development Services*
(FPDS Code 302)
- ⇒ *IT Systems Analysis Services*
(FPDS Code D306)
- ⇒ *Programming Services*
(FPDS Code D308)
- ⇒ *IT Data Conversion Services*
(FPDS Code 311)
- ⇒ *Other Information Technology Services, Not Elsewhere Classified*
(FPDS Code D399)

**USA COMMITMENT TO PROMOTE
SMALL BUSINESS PARTICIPATION
PROCUREMENT PROGRAMS**

PREAMBLE

Advanced Systems Development, Inc. provides commercial products and services to ordering activities. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts. To accelerate potential opportunities please contact:

Donna Reid / Director of Contracts

Advanced Systems Development, Inc.

2800 Shirlington Road, Suite 800

Arlington, VA 22206-3612

703-933-2090 (V) / 703-824-5699 (F)

Email: dreid@asd-inc.com

Contract Number GS-35F-4675G

BPA NUMBER _____

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT

Pursuant to GSA Federal Acquisition Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (ordering activity):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____
_____	_____

(2) Delivery:

DESTINATION	DELIVERY SCHEDULES / DATES
_____	_____
_____	_____
_____	_____

(3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____
_____	_____

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;
- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;

Contract Number GS-35F-4675G

- (g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and
 - (h) Date of Shipment.
- (9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.
- (10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

**BASIC GUIDELINES FOR USING
“CONTRACTOR TEAM ARRANGEMENTS”**

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions of the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Administrative Assistant I	3 years performing administrative tasks in an IT environment.	Under direct supervision, supports typical office administrative tasks, including operating and maintaining office equipment, data entry, staffing help desk front line and logging and forwarding help desk calls. This position supports other IT positions.	High School diploma or equivalent	\$35.38
Administrative Assistant II	6 years performing administrative tasks in an IT environment.	Under minimal supervision and/or as lead administrative assistant, supports typical office administrative tasks, including operating and maintaining office equipment, data entry, staffing help desk front line and logging and forwarding help desk calls. This position supports other IT positions.	High School diploma or equivalent	\$46.50
Communications Network Analyst I	Without a degree, 3 years in network design, installation, trouble-shooting, user support, and maintenance. Requires experience with various architectures and protocols.	Under direct supervision, develops, evaluates, integrates, and maintains existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; provides end user support.	Bachelors in CS, Telecom, EE, related fields	\$47.87
Communications Network Analyst II	3 years of experience in network design, installation, trouble-shooting, user support, and maintenance. Requires experience with various architectures and protocols.	Under limited supervision, develops, evaluates, integrates, and maintains existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; provides end user support.	Bachelors in CS, Telecom, EE, related fields	\$51.72
Communications Network Analyst III	6 years of experience in network design, installation, trouble-shooting, user support, and maintenance. Requires experience with various architectures and protocols.	Serving as senior analyst and frequently managing other technical personnel, develops, evaluates, integrates, and maintains existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; provides end user support.	Bachelors in CS, Telecom, EE, related fields	\$76.51
Communications Network Analyst IV	6 years of experience in network design, installation, trouble-shooting, user support, and maintenance. Requires experience with various architectures and protocols.	Serving as senior analyst and frequently managing other technical personnel, develops, evaluates, integrates, and maintains existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; provides end user support.	Bachelors in CS, Telecom, EE, related fields	\$100.72

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Computer Support Specialist I	Degree or 3 years resolving COTS hardware and software problems	Under direct supervision, trouble-shoot, initiate, and resolve COTS software and hardware problems; maintain necessary computer hardware and software tools; develop and implement SOPs: develop and update on-line user profiles; and install, integrate, and remove hardware and software.	BS in CS, Math, or equivalent	\$40.16
Computer Support Specialist II	Degree + 3 years resolving COTS hardware and software problems	Under limited supervision, trouble-shoot, initiate, and resolve COTS software and hardware problems; maintain necessary computer hardware and software tools; develop and implement SOPs: develop and update on-line user profiles; and install, integrate, and remove hardware and software.	BS in CS, Math, or equivalent	\$43.15
Computer Support Specialist III	Degree + 6 years resolving COTS hardware and software problems	As lead computer specialist and/or task manager, trouble-shoot, initiate, and resolve COTS software and hardware problems; maintain necessary computer hardware and software tools; develop and implement SOPs: develop and update on-line user profiles; and install, integrate, and remove hardware and software.	BS in CS, Math, or equivalent	\$52.89
Computer Support Specialist IV	10 years resolving COTS hardware and software problems	Acting as company-wide computer support specialist and/or task manager, trouble-shoot, initiate, and resolve COTS software and hardware problems; maintain necessary computer hardware and software tools; develop and implement SOPs: develop and update on-line user profiles; and install, integrate, and remove hardware and software.	BS in CS, Math, or equivalent	\$59.06
Database Consultant	6 years as a database consultant with DBMS/SQL/Internet technologies	As the primary technical contributor and/or project or task manager, analyzes and defines system requirements; develops and maintains application programs for Internet, Intranet, and DBMS/SQL systems; demonstrates facility with one or more Internet languages (JAVA, HTML, Cold Fusion) and RDBMS (Access, SQL, Oracle). Experience must include development, testing, and implementations of medium to large size systems with the ability to manage cross-functional projects and web-based applications.	BS in CS, Math, or equivalent	\$89.31

LABOR CATEGORY DESCRIPTIONS AND RATES

Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Help Desk Analyst I	Without a degree, 3 years providing help desk support to end users of COTS and custom software, hardware, and network. Requires knowledge of various COTS software, hardware, and network products.	Under direct supervision, provides end user support; resolves COTS and custom software, hardware, and network problems; operates and maintains a call tracking system; develops and publishes trend analyses; publishes a news letter.	Bachelors in CS, IRM, IS, or related fields	\$41.87
Help Desk Analyst II	3 years providing help desk support to end users of COTS and custom software, hardware, and network. Requires knowledge of various COTS software, hardware, and network products.	Under limited supervision, provides end user support; resolves COTS and custom software, hardware, and network problems; operates and maintains a call tracking system; develops and publishes trend analyses; publishes a news letter.	Bachelors in CS, IRM, IS, or related fields	\$57.42
Help Desk Analyst III	6 years providing help desk support to end users of COTS and custom software, hardware, and network. Requires knowledge of various COTS software, hardware, and network products.	Managing and directing other Help Desk Analysts, provides end user support; resolves COTS and custom software, hardware, and network problems; operates and maintains a call tracking system; develops and publishes trend analyses; publishes a news letter.	Bachelors in CS, IRM, IS, or related fields	\$73.21
Help Desk Manager	10 years as a help desk analyst and possessing expert knowledge of advanced help desk designs and applications. Must possess outstanding analytical and management capabilities.	Serves as the primary company authority on help desks and provides management and technical guidance to Help Desk Analysts III and below; manages and directs tasks, other technical staff (including help desk analysts, system administrators, and system engineers), and/or multiple help desks; provides end user support; resolves COTS and custom software, hardware, and network problems; operates and maintains a call tracking system; develops and publishes trend analyses; publishes a newsletter. Requires knowledge of various COTS software, hardware, and network products.	Bachelors degree in CS, BA, IS, related fields	\$88.96
Information Security Analyst I	Degree or 3 years in information security	Under direct supervision, provide information security support in various areas including standards, certifications, technologies, disciplines, test and evaluations, AISSPs, security operations, and documentation.	Bachelors in CS, IRM, IS, related fields	\$38.51

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Information Security Analyst II	Degree + 3 years designing, analyzing, and/or managing information security	Under minimal supervision, provide information security support in various areas including standards, certifications, technologies, disciplines, test and evaluations, AISSPs, security operations, and documentation.	Bachelors in CS, IRM, IS, related fields	\$88.16
Information Security Analyst III	Degree + 6 years designing, analyzing, and/or managing information security	As task leader and/or primary technical contributor, provide information security support in various areas including standards, certifications, technologies, disciplines, test and evaluations, security operations, firewalls, AISSPs, and documentation.	Bachelors in CS, IRM, IS, related fields	\$129.29
Information Systems Technician I	1 year repairing, installing, configuring IT or Tech Cert	Under direct supervision, provides installation, repair, configuration, and technical support for a variety of PC/LAN systems software and hardware.	High School diploma or equivalent	\$27.87
Information Systems Technician II	3 years repairing, installing, configuring IT (Tech Cert may substitute for 1 year of experience)	Under minimal supervision, provides installation, repair, configuration, and technical support for a variety of PC/LAN systems software and hardware.	High School diploma or equivalent	\$39.48
Information Systems Technician III	5 years repairing, installing, configuring IT (Tech Cert may substitute for 1 year of experience)	As task leader and/or primary technical contributor, provides installation, repair, configuration, and technical support for a variety of PC/LAN systems software and hardware.	High School diploma or equivalent	\$46.44
Instructor, Information Technology I	BS or 3 years as an IT instructor	Under direct supervision, develops training materials for COTS software and custom applications, and teaches COTS and custom applications.	BA/BS in CS, Mathematics, Education, or related fields	\$37.48
Instructor, Information Technology II	BS + 3 years as an IT instructor	Under minimal supervision, develops training materials for COTS software and custom applications, and teaches COTS and custom applications.	BA/BS in CS, Mathematics, Education, or related fields	\$50.53
Instructor, Information Technology III	BS + 6 years as an IT instructor	As senior IT instructor, develops training materials for COTS software and custom applications, and teaches COTS and custom applications.	BA/BS in CS, Mathematics, Education, or related fields	\$71.77

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Instructor, Information Technology IV	MS plus 10 years as an IT instructor	As corporate advisor on IT instruction and/or task leader, develops training materials for COTS software and custom applications, and teaches COTS and custom applications. Must be published.	BA/BS in CS, Mathematics, Education, or related fields	\$109.87
IT Intern I	1 year with IT	Pursuing a career in information technology and/or with plans to pursue a degree in information technology or related area (college credit may be substituted for experience). Provide information technology administrative and technical support in the areas of hardware, software, and networking.	Enrolled in or completed HS or enrolled in college	\$23.63
IT Intern II	3 years with IT	Pursuing a career in information technology and/or with plans to pursue a degree in information technology or related area (college credit may be substituted for experience). Provide information technology administrative and technical support in the areas of hardware, software, and networking.	Enrolled in or completed HS or enrolled in college	\$25.89
IT Technologist	10 years life cycle with IT. Must be an expert on IT analysis, development, integration, and operations.	Serves as the primary technical contributor in analyzing, planning for, and implementing mission-related activities. Activities include one or more of the following: BPRs, requirements analysis, system sizing, FEAs, IDEF0/IDEF1 modeling and analysis, acquisition management, prototype evaluation and development, work flow and IT organizational analyses, strategic, operational, and security planning, and applications analysis and development (SQL Internet, DBMS, application languages).	Masters degree in operations research, CS, BA, IS, related fields	\$105.23
Program Analyst I	BS or 3 years performing IT program analysis	With limited supervision, performs program analyses, including, but not limited to: operations research, functional analysis, requirements analysis, cost analysis, performance analysis, and simulation and analytical model design and development.	BS in OR, CS, EE, related fields	\$42.58
Program Analyst II	BS + 3 years performing IT program analyses	With minimal supervision, performs program analyses, including, but not limited to: operations research, functional analysis, requirements analysis, cost analysis, performance analysis, and simulation and analytical model design and development.	BS in OR, CS, EE, related fields	\$53.58

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Program Analyst III	BS + 6 years performing IT program analyses	As team leader and/or as task manager, performs program analyses, including, but not limited to: operations research, functional analysis, requirements analysis, cost analysis, performance analysis, and simulation and analytical model design and development.	BS in OR, CS, EE, related fields	\$64.68
Program Analyst IV	MS plus 10 years and an expert in performing all disciplines of IT program analysis	Serves as primary company program analyst, task leader and primary technical contributor and an expert in performing program analyses, including, but not limited to: operations research, functional analysis, requirements analysis, cost analysis, performance analysis, and simulation and analytical model design and development. Must be an expert in IT program analysis theory and application.	MS in OR, CS, EE, related fields	\$118.23
Program Director	15 years and an expert in the theories and applications of IT program management	Manages multiple programs and a technical group as a cost center with the primary responsibility for planning; operations; defining and meeting financial objectives; recruitment; training; business acquisition; and overall execution of all projects within the group. Must have outstanding organizational, management, and communications skills.	Masters degree in CS, BA, IS, related fields	\$123.20
Program Manager	10 years as program manager over several varied projects and project managers. Requires management, organizational, and communications skills.	Manages a technical group as a cost center with the primary responsibility for planning; operations; defining and meeting financial objectives; recruitment; training; business acquisition; and overall execution of all projects within the group.	Bachelors in CS, BA, IS, related fields	\$101.68
Programmer /DBMS Specialist I	Without a degree, 3 years analyzing, planning for, developing, integrating, and maintaining software systems.	Under direction supervision, analyzes and defines system requirements; develops and maintains application programs and DBMS's; tests, debugs, and refines; develops block diagrams and logic flow charts; designs and develops traditional and prototype databases.	Bachelors in CS, IRM, IS, or related field	\$47.04
Programmer /DBMS Specialist II	3 years analyzing, planning for, developing, integrating, and maintaining software systems, including COTS, 3rd and 4th GL, multi-processor, and database design.	Under limited supervision, analyzes and defines system requirements; develops and maintains application programs and DBMS's; tests, debugs, and refines; develops block diagrams and logic flow charts; designs and develops traditional and prototype databases.	Bachelors in CS, IRM, IS, or related field	\$55.64

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Programmer/DBMS Specialist III	6 years of experience analyzing, planning for, developing, integrating, and maintaining software systems, including COTS, 3rd and 4th GL, multi-processor, and database design.	Serving as senior Programmer/DBMS and frequently managing other technical personnel, analyzes and defines system requirements; develops and maintains application programs and DBMS's; tests, debugs, and refines; develops block diagrams and logic flow charts; designs and develops traditional and prototype databases.	Bachelors in CS, IRM, IS, or related field	\$73.99
Project Manager I	3 years managing, directing, planning, implementing, and staffing ADP tasks. Requires management, organizational, and communications skills.	Provides supervisory, technical, and administrative direction to project staff; interfaces with customers; tracks project performance and costs; and prepares plans, charts, tables, and diagrams to assist in analyzing and displaying problems and solutions.	Bachelors in CS, BA, BM, IS, related fields	\$57.13
Project Manager II	5 years managing, directing, planning, implementing, and staffing increasingly complex ADP projects. Requires management, organizational, and communications skills.	Provides supervisory, technical, and administrative direction to project staff; interfaces with customers; tracks project performance and costs; and prepares plans, charts, tables, and diagrams to assist in analyzing and displaying problems and solutions.	Bachelors in CS, BA, BM, IS, related fields	\$82.58
Project Manager III	8 years managing, directing, planning, implementing, and staffing complex ADP projects. Requires management, organizational, and communications skills.	Provides supervisory, technical, and administrative direction to project staff; interfaces with customers; tracks project performance and costs; and prepares plans, charts, tables, and diagrams to assist in analyzing and displaying problems and solutions.	Bachelors in CS, BA, IS, related fields	\$94.96
System Analyst I	Degree or 3 years planning for, analyzing, and designing computer systems, including application software, DBMS, and networking.	Under direct supervision, performs a variety of technical tasks including requirements and cost analyses; technical specs; software design, development, and integration; database design and analysis; and technical operations support.	Bachelors in CS, IRM, IS, Math, related fields	\$34.20
System Analyst II	3 years planning for, analyzing, and designing increasingly complex computer systems, including application software, DBMS, and networking.	With limited supervision, performs a variety of technical tasks including requirements and cost analyses; technical specs; software design, development, and integration; database design and analysis; and technical operations support.	Bachelors in CS, IRM, IS, Math, related fields	\$66.64

Requires experience with one or more of the following: Novell, Windows NT, UNIX, Macintosh, and IBM/VS. May require certifications.	Managing and directing other system network administrators, installs new users; maintains user ID accounts, assigns names and mailboxes; monitors and evaluates performance; installs and configures hardware and software; evaluates hardware and software; trouble-shoots and resolves system and network problems.	Bachelors in CS, IRM, IS, ES, related fields	\$77.48

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
System/Network Engineer I	A bachelors degree in appropriate discipline or 3 years designing, implementing and integrating, and supporting network solutions between multiple platforms. Requires strong analytical and telecommunications skills. Certifications are a plus.	Under direct supervision, performs a variety of telecommunications tasks including designing, integrating, and maintaining new and existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; and provides end user support.	Bachelors in EE, Telecomm, CS, related fields	\$37.73
System/Network Engineer II	3 years designing, implementing and integrating, and supporting network solutions between multiple platforms. Requires strong analytical and telecommunications skills. Certifications are a plus.	Under limited supervision, performs a variety of telecommunications tasks including designing, integrating, and maintaining new and existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; and provides end user support.	Bachelors in EE, Telecomm, CS, related fields	\$81.34
System/Network Engineer III	6 years designing, implementing and integrating, and supporting network solutions between multiple platforms. Requires strong analytical and telecommunications skills and experience with WANs, MANs, and LANs. Certifications are a plus.	Serving as primary technical contributor and frequently managing other technical personnel, performs a variety of telecommunications tasks including designing, integrating, and maintaining new and existing and proposed enterprise-wide voice, data, and video telecommunications systems; trouble-shoots network operations and usage; and provides end user support.	Bachelors in EE, Telecomm, CS, related fields	\$90.90
Systems/Network Engineer IV	10 years and an expert in communication networks engineering. Must be an expert in 3 or more technologies, including but not limited to: Windows NT, UNIX, CISCO, or Apple.	Serves as task leader and primary company system/network engineer; provides management and technical direction to System/Network Engineers at Level III or below; manages other technical personnel, performs a variety of telecommunications tasks including designing and integrating existing and new enterprise-wide voice, data, and video telecommunications systems between multiple platforms. Must possess strong analytical and telecommunication skills and experience with WANs, LANs, and MANs. Must be an expert system/network engineer with demonstrated experience in three or more current technologies such as Windows NT, CISCO, UNIX or Apple.	Bachelors in EE, CS, related fields	\$109.36

LABOR CATEGORY DESCRIPTIONS AND RATES				
Labor Category	Minimum	Functional Responsibility	Minimum Education	Hourly Rate
Tech Writer/Editor I	BA/BS or 3 years as a technical writer and/or editor	Under direct supervision, provides technical writing and editing of computer system documentation, computer newsletters, automated information systems documents, and electronic bulletin boards.	BS/BS in CS, Journalism, English	\$37.88
Tech Writer/Editor II	BA/BS + 3 years as a technical writer and/or editor	With minimal supervision, provides technical writing and editing of computer system documentation, computer newsletters, automated information systems documents, and electronic bulletin boards.	BS/BS in CS, Journalism, English	\$47.85
Tech Writer/Editor III	6 years as a technical writer and/or editor	As the lead writer/editor, provides technical writing and editing of computer system documentation, computer newsletters, automated information systems documents, and electronic bulletin boards.	BS/BS in CS, Journalism, English	\$66.13

Note: Three (3) years of experience may be substituted for a bachelor's degree. All technical positions require strong analytical and communication skills.

FAS products and ordering information in this Authorized FAS Information Technology Schedule Pricelist are also available on the GSA Advantage! System. Agencies can browse GSA Advantage! by accessing the Federal Supply Service's Home Page via the Internet at <http://www.FAS.gsa.gov/>

Note: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.
